Dear Sir:

Submitted herewith is one set (two sheets, two figures) of corrected drawings for filing in the above-identified patent application.

The drawings were objected to for reasons stated in the Notice Regarding Drawings and Notice of Draftperson's Patent Drawing Review dated May 10, 2006. Specifically, in Figures 1 and 2, the character of lines, numbers and letters was objected to. The enclosed new drawings correct these informalities. The drawings have not been amended, but merely redone to improve clarity.

Favorable consideration of the enclosed drawings is respectfully requested.
